FRIENDS OF HOLLINSWOOD & RANDLAY VALLEY

Environmental Officer's report to Hollinswood & Randlay Parish Council – January 2025

Weekend Volunteer Morning – 14 December

The last weekend Volunteer Day of 2024 was very successful, unfortunately I wasn't able to attend due to illness, but after the wind and storms over the week before, two big trees on the disabled path came down and were stopping access for public. Glyn and all the volunteers tackled the trees and re-opened the path.

I would like to thank Glyn and all the volunteers for their hard work.

Grants

I'm happy to confirm that the grant application to Veolia for the funding to make the path near the kissing gate safe for public to use has now been accepted. This funding will allow the public free access to the Meadow through the new kissing gate. Plans are in hand to get this work done as soon as possible.

Events

Events over the Christmas period were very successful with arts and crafts having around 30 families attend. Thanks should go to Sheenagh and Paula for making the arrangements.

The winter walk was also very successful with a lot of residents and dog walkers attending the walk around the valley with some lovely mince pies and mulled wine available in the Pavilion after the walk. Thanks to Sheenagh & Harvey.

The Christmas trail has been running throughout the winter holiday season and as of today, only one family has got the correct word. They will receive a certificate.

We are looking forward to our next meeting, on 15th January 2025, where we will be discussing the Spring Work Programme and other events.

Liam Seabury

Environmental Officer
